Commuters from Greenbelt, Md.)

Case No. MP-84-09

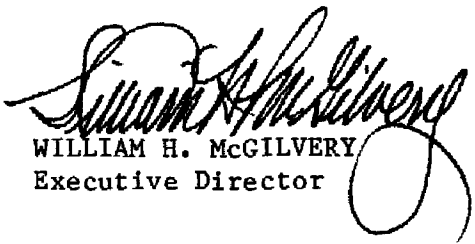

By Order Nos. 2624 and 2632, served October 31, and November 27, 1984, respectively, and incorporated by reference herein, the Commission, inter alia, directed Airline Baggage Carriers, Inc., (ABC), to provide certain commuter service between Greenbelt, Md., and Washington, D.C. That directive now has an expiration date of January 31, 1985.

Since the issuance of Order No. 2632, a public hearing has been held on this matter. Also, The Airport Connection, Inc., of Maryland, a wholly-owned subsidiary of ABC, has filed an application for a certificate of public convenience and necessity to perform the subject service. Inasmuch as that decision will not be ready for publication prior to January 31, 1985, certain interim actions are necessary.

THEREFORE, IT IS ORDERED:

1. That the service directives set forth in Order No. 2632 are hereby extended through February 28, 1985.
2. That the round-trip ticket authorized by Order No. 2632 may be used for any two one-way trips by the same commuter.
3. That, in all other respects, the rates set forth in Order No. 2632 remain in effect.
4. That the Commission retains full jurisdiction over this matter and shall enter such further orders as may be appropriate.
